PROFESSIONAL SUMMARY

Business Administration student with practical experience in sales, marketing, customer engagement, social media management, POS operations, and retail sales. Currently working as an Assistant Manager in the Sales & Marketing Department at Active Securities & IT Solution, with experience supporting client communication, sales follow-up, quotations, business development, and customer relationships.

WORK EXPERIENCE

Assistant Manager – Sales & Marketing Department **October 2025 – Present**
Active Securities & IT Solution, Dhaka, Bangladesh

- Support sales and marketing operations, client communication, lead follow-up, quotation preparation, and business development activities.
- Coordinate with corporate clients and internal teams regarding proposals, product/service presentations, commercial requirements, and order processing.
- Prepare and follow up on quotations, work orders, sales documentation, and client requirements to support smooth order execution.
- Maintain customer relationships, assist with sales reporting, and follow up with prospective and existing clients to support business growth.

Sales Representative **2025**
Cat's Eye, Dhaka, Bangladesh

- Assisted customers with product selection, product presentation, inquiries, and purchase decisions while maintaining professional service standards.
- Supported daily retail sales operations, including product arrangement, customer engagement, counter coordination, and sales assistance.
- Maintained a customer-focused approach by understanding customer requirements and providing appropriate product information.
- Supported store operations and helped maintain an organized and presentable retail environment.

Social Media Marketing Manager **2024**
Falainab, Dhaka, Bangladesh

- Managed day-to-day social media activities to support brand visibility, customer engagement, and online presence.
- Created and coordinated promotional content and social media activities aligned with the brand's marketing objectives.
- Engaged with customers through social platforms, responded to inquiries, and supported new customer acquisition activities.
- Monitored organic reach and audience engagement to support continuous improvement of the brand's online communication.

POS Operator & Sales **2023**
Eastern Bazar, Dhaka, Bangladesh

- Managed POS counter operations, customer transactions, sales records, and day-to-day counter activities.
- Processed customer purchases accurately and supported customers during checkout and payment-related activities.
- Maintained sales information and assisted with daily sales reporting and counter control.
- Supported general store operations, customer service, and an organized checkout environment.
